NOTICE OF JOB VACANCY
#18-18

An opportunity currently exists in the classified service with the Department of Law and Public Safety, Division of State Police, for Department of Law & Public Safety employees who meet the requirements listed below:

TITLE: Information Technology Specialist
SALARY: \$51,529.95 - \$72,953.46
LOCATION: Division of State Police
Identification & Information Technology Section
Systems Design Unit
River Road, W. Trenton, NJ 08628-0068

NUMBER OF VACANCIES: One (1)

DUTIES: Under direct supervision of the Systems Design Unit supervisor or designee, actively involved in the usage and administration of Microsoft applications, including but not limited, to Active Directory, SharePoint and Identity Manager; implement and maintains various Microsoft applications associated with the changing needs of the Division; prepares training programs and instructions to illustrate existing or upgraded Microsoft operating systems and components to users; installs software updates and patches to network operation systems, server-based applications, and centralized services; installs hardware upgrades for network servers, gateways, and associated devices; performs other related duties as required.

REQUIREMENTS

EDUCATION: Graduation from an accredited college or university with an Associate's degree in Computer Science or Computer/Information Technology.

EXPERIENCE: One (1) year of experience in at least one of the following areas: the design and preparation of programs for electronic data processing utilizing current operating systems, modification of systems software and multiprogramming technology; or the development, maintenance, or installation of application programs; or in performing technical support functions within a direct access device environment, or the development, implementation, and maintenance of multi-network, multi-user Local Area Networks (LAN), Metropolitan Area Networks (MAN), and/or Wide Area Networks (WAN) environment.

NOTE: Technical support functions include experience in resolution of online production and/or communications network problems, and/or code modification, testing, and debugging of program modules in an online environment, and/or space allocation and control of direct access storage devices (DASD management).

NOTE: A Bachelor's or Master's degree in Computer Science may be substituted for one (1) year of indicated experience.

NOTE: A general Bachelor's degree from an accredited college or university may be substituted for the Associate's degree.

SPECIAL NOTE ON SUBSTITUTING EXPERIENCE FOR EDUCATION: Experience in the study of work methods/processes, analysis of varied types of data, design and preparation of systems/programs, operation of multiprogramming computer systems and work in the data processing support areas of input/output control or reliability support may be substituted for the required education on a year-for-year basis with thirty (30) semester hour credits being equal to one (1) year of experience.

NOTE: Evidence of formal training in Computer Science/Information Technology received at an accredited institution may be submitted with your application for evaluation by the Department of Personnel for possible credit. These training courses will be examined to see how they compare, both in hours/content, to college courses to which they equate, sixteen (16) training hours being equal to one (1) college credit. In house training courses will not be accepted as meeting this criterion; thus, they will not be evaluated.

LICENSE: Appointee will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

RESUME NOTE: Eligibility determinations will be based upon information presented in resume only. Applicants who possess foreign degrees (degrees earned outside of the U.S.) are required to provide an evaluation indicating the U.S. equivalency prior to the closing date. Failure to do so will result in your ineligibility.

If interested, please send a cover letter indicating job vacancy #18-18, copy of college transcript(s), and current resume before the closing date of March 23, 2018 to:
