Notice of Availability and Award of Funds

Federal Fiscal Year (FFY) 2019 Victims of Crime Act Grant Program

Take notice that in compliance with the Federal Victims of Crime Act (VOCA) of 1984, 42 U.S.C. §§ 10601 et seq., the Department of Law and Public Safety (Department) announces the availability and award of the following non-competitive subawards funded by FFY19 VOCA program funds:

Victim Information and Notification Everyday (VINE) System \$366,838

Under this program, \$366,838 in grant funding will be awarded to the Division of Criminal Justice to support the New Jersey Victim Information and Notification Everyday (VINE) System. The VINE System provides victims with notification of changes in custody status of their offenders who are housed in county jails or state correctional facilities. Funding is provided to support and maintain the statewide automated system operated by a contracted vendor. Funding is provided on a reimbursement basis only and is contingent upon subrecipient application submission, compliance with grant conditions, and satisfactory performance of services. The funding is for a 12-month period from July 1, 2020, through June 30, 2021.

Eligible recipients of the non-competitive FFY19 VOCA program funds will receive application guidelines and all required application forms, via mail or e-mail, that must be completed and submitted by the established due date. Upon approval of project narrative and budget, applicants

will receive subaward contract documents for approval and signature. Subrecipients must comply with programmatic and fiscal reporting requirements for approval and/or reimbursement of costs incurred during the project period. All subrecipients will be required to supply matching funds of twenty percent toward their project. Grant extensions are not permitted.

Please note that funding allocations and individual subaward amounts are subject to change. Subrecipients shall recognize and agree that both the initial provision of funding and the continuation of such funding under a grant agreement is expressly dependent upon the availability to the Department of funds appropriated by the State or Federal legislature from State and/or Federal revenue to such other funding sources as may be applicable. A failure of the Department to make any payment under a grant agreement or to observe and perform any condition on its part to be performed under a grant agreement as a result of the failure of the State or Federal legislature to appropriate funds shall not in any manner constitute a breach of a grant agreement by the Department or an event of default under a grant agreement because of the absence of available funding appropriations. In addition, future funding shall not be anticipated from the Department beyond the duration of the award period set forth in a grant agreement and in no event shall a grant agreement be construed as a commitment by the Department to expend funds beyond the termination date set forth in a grant agreement.
